

M3D5:

Work on M3 major assignments!

1. Research proposal presentation
2. Mini-report

Research proposal presentations

- Slides due to Stellar on Thursday, May 7 by 1 pm
- Presentations to be delivered by each team via Zoom

Important things to consider:

- Practice switching between speakers
- Discuss the importance of your research and emphasize how it advances the field
- Ask questions for participation points

Mini-report

- Submission due to Stellar on Monday, May 11 by 10 pm
- Assignment to be completed with laboratory partner

Important things to consider:

- All data analysis should be completed by end of day
- Intended time allotment for assignment = 3-5 hours
- Late submissions will not be accepted after Wednesday, May 13 (grades are due Friday, May 15)

Final notes...

- Laboratory notebook entry for M3D3 due to Kevin Wednesday, May 6 by 10 pm
- Blog post due Tuesday, May 12 by 10 pm
 - Remember, for full participation credit only need to complete 3 blog posts
- Feedback session scheduled for Tuesday, May 12 at 11a, lunch TBD

**WE NEED YOUR
FEEDBACK!!**
